

## Trailblazers

Trailblazers is a program of fun and environmentally based activities for children aged 8-14 during the school holidays in July and August this year!

In 2010, activities will run at a variety of locations including Swansea Community Farm, Wildfowl and Wetlands Centre, Red Cafe, Down to Earth, Gower Heritage Centre and many more.

There will be a huge variety of activities including eco arts and crafts, pond dipping, den building, adventure play, treasure hunts, making wool, planting, weaving and all sorts of other activities. All activities are aimed to promote environmental awareness, provide physical activity and assist in social development as well as encouraging respect.

For further information call Delyth Higgins on 01792 480200 to ask for a booking form to be sent out to you, or [click here](#) to download a form that you can post to Delyth Higgins, The Environment Centre, Pier Street, Swansea SA1 1RE by the 19th of July.
