

## Volunteer

Volunteer with Sustainable Swansea

Trailblazers II

Trailblazers II is a project aimed at 14 -25 year olds to support access to volunteering and training on the Swansea Sustainability Trail. John Casey is in charge of organising taster sessions for individuals and groups with support available to access all kinds of volunteering opportunities. Call 01792 480200 to speak to John.

Other Volunteering opportunities with Sustainable Swansea include:

Digital Media Project

- Improve your IT Skills (including Word, Excel, Databases, and Content Management Systems),
- Improve your digital photography skills (cameras provided),
- Help create a leaflet and interactive Green Map of Central Swansea (Castle Ward)
- Help support training
- Share your knowledge and learn more about the local environment

Fundraising

Help raise funds for Sustainable Swansea and the Environment Centre

Press Releases

Writing information for the website and for news outlets about events and new developments

Distribution

Helping to distribute information across Swansea and online

Events

Helping out with occasional events, helping to set up and run stalls.
