Up to £100 available towards transport costs for group visits on the Trail! Don't miss this amazing opportunity, contact us today!

There are currently 24 projects on the Sustainability Trail located in and around Swansea helping us to understand various aspects sustainability including:

- Biodiversity - the variety of life
- Energy Efficiency
- Renewable Energy
- Food and Diet
- Communities - Working Together
- Shopping
- Transport
- Waste, litter and recycling
- Water conservation

The sites featured as part of the Trail are marked on the GREEN MAP by the PINK SYMBOLS.

For a full list of projects take a look at the summary sheet.

Visit projects on the Trail...

Each project on the Trail welcomes visitors, giving you the opportunity to see first hand how sustainability can be achieved. A summary table provides you with visiting times and contact numbers. Guided group visits can be organised and supported by the Sustainable Swansea staff. Please call 01792 480200 for further information. or e-mail: lisa@environmentcentre.org.uk or Helen@environmentcentre.org.uk .

Check out Group visits On the Trail for examples of educational excursions around some locations on the Trail.

FOR A LIMITED TIME ONLY we can offer to pay transport costs of up to £100 for groups wanting to visit projects on the Trail. This offer is only available for group visits at present. For details contact Sustainable Swansea staff at the Environment Centre on 01792 480200

Where possible we encourage you to visit the Trail without your car.

Swansea Alternative Travel Map gives details of travel routes for bus and bike.
